AUTUMN / WINTER COLLECTION 2024

Renewal

Every season, we take a critical look at our collections. Do they match all our customers' needs? Therefore we design our new collections with a lot of attention and love. We take more and bigger steps towards sustainability and we also continue to innovate on models and fit.

With our progressive vision comes a renewed Pastunette logo. The sub-labels have also disappeared to create a stronger Pastunette brand. We introduce Pastunette Premium for styles with luxurious qualities and fits.

pastunette

Feel Comfortable, Look Beautiful.

This key phrase sums up the brand's core philosophy. We believe that comfort is not only a physical state, but also an emotional one. True beauty occurs when comfort becomes second nature, an intrinsic part of one's lifestyle.

B2B shop - <https://b2b.zetex.nl>

Our new B2B shop is online! A brand new B2B environment designed to optimise your experience with us. We understand that efficiency, transparency and convenience are crucial to our collaboration. We have taken all feedback into account to create a platform that meets all needs.

If you have any questions about the new features, or need help using our new B2B platform, please do not hesitate to contact us. Our team is always at your service.

Enjoy our renewed catalogue and collection!

Sustainability is not a trend for us, it is an important investment in the future of our brands. Recognise sustainable items by this logo:  For more information view product details online.
