# Designed to make waves along the coastline

Our new swimwear collection is meticulously crafted to make a statement along the coastline. With the perfect combination of knotted bandeaus, textured sets, and one-pieces, each piece exudes a sense of refinement and confidence. Effortlessly blending classic silhouettes with modern details for a timeless and on-trend look. At once you will experience simple and sophisticated swimwear that embrace moments of leisure and relaxation.

Enjoy the coastal lifestyle in swimwear from CCDK Copenhagen while lounging by the water, exploring coastal treasures, taking a refreshing dip in the ocean, or engaging in a mindful stroll along the beach.

## About CCDK Copenhagen

Our mission is to enhance your everyday life and make a positive impact on the world. It's a world where the essence of living is a slow, present, and balanced life. We aim to create a space, where we inspire to unwind and prioritize small and meaningful moments throughout the day. Particularly during the start of the day upon waking up and at the end before retiring to bed. We encourage you to incorporate small rituals into your daily routine, prioritizing tranquility, immersion, mindfulness, self-care, and quality moments with your loved ones. Besides our swimwear, we have a large selection of night- and loungewear and a brand-new collection of romantic and basic underwear.
