SASSA wird noch nachhaltiger

Nachhaltigkeit ist ein zentraler Bestandteil unseres Handelns. In Zeiten des Klimawandels verbinden wir Mode zu fairen Preisen mit verantwortungsbewusstem Handeln.

Materialien, Spitzen und Accessoires wählen wir nach klar definierten Kriterien aus. Unsere Produkte erfüllen den OEKO-TEX® Standard 100. Zudem setzen wir verstärkt auf nachhaltigere und recycelte Materialien.

Für Verpackungen und Druckprodukte verwenden wir Materialien aus verant-

wortungsvoll bewirtschafteten Quellen (FSC-zertifiziert). Wo Kunststoffverpackungen unvermeidbar sind, setzen wir auf recycelbare Lösungen.

Als Mitglied von amfori BSCI verpflichten wir uns gemeinsam mit unseren Produktionspartnern zu fairen Arbeitsbedingungen und verantwortungsvollem Handeln.

Zudem kooperieren wir mit der Bruderhaus Diakonie der Gustav Werner Stiftung und leisten so einen Beitrag zur Inklusion von Menschen mit Behinderung im Arbeitsleben.

SASSA becomes even more sustainable

Sustainability is a core part of our actions. In times of climate change, we combine fashion at fair prices with responsible decision-making.

We select materials, laces and accessories according to clearly defined criteria. Our products comply with the OEKO-TEX® Standard 100. We are also increasingly focusing on more sustainable and recycled fabrics.

For packaging and printed materials, we use resources from responsibly managed sources (FSC-certified). Wherever plastic packaging is unavoidable, we rely on recyclable solutions.

As a member of amfori BSCI, we are committed, together with our production partners, to fair working conditions and responsible business practices.

We also cooperate with Bruderhaus Diakonie of the Gustav Werner Foundation, contributing to the inclusion of people with disabilities in working life.
